

## **AWAS delivers second Airbus A330-200 to Hawaiian Airlines**

Toulouse, 10 November 2010

Dublin based lessor, AWAS, delivered an Airbus A330-200 to Hawaiian Airlines at the Airbus facility in Toulouse today. This is the second aircraft of this type to be delivered to the airline this year. The event was attended by representatives from AWAS, Hawaiian Airlines and Airbus.

This aircraft will initially operate on routes to the U.S. and in April 2011 it will start rotations to Japan and South Korea.

“Leasing brand new aircraft allows our customers to both increase efficiencies and improve the travel experience for passengers. Hawaiian’s signature is its outstanding quality of service and we are proud that this AWAS A330-200 will form part of a fleet that is second to none.”

said Ray Sisson, President & CEO of AWAS. “We aim to support the continued renewal and enhancement of our customers’ fleets through a strong pipeline of new aircraft joining our portfolio over the next five years.”

### **About AWAS**

Headquartered in Dublin, with offices in New York, Miami, and Singapore, AWAS is one of the leading aircraft leasing companies in the world. The company is managed

by a highly experienced team of commercial aviation industry professionals serving markets in The Americas, Europe, Middle East, and Asia/Pacific.

AWAS owns a portfolio of more than 200 modern aircraft with a further 115 aircraft on order from Airbus and Boeing including a number of next generation aircraft. The aircraft portfolio is on lease to over 90 airline customers in 44 countries. The AWAS fleet features a full range of the most popular aircraft types which includes both narrow-bodied and wide-body aircraft.
